Missional Practices  
Workshops:

- You schedule the date and time which works best for you!
- The facilitator will come to your church.
- There is **no fee** for the workshop.

It is appreciated if your church can offer to cover the travel for any of the facilitators who come to you.

Rev. Muntzel is the Resourcing Center Coordinator, both Rev. A. Lawrence and Rev. Morgan are pastors in our Presbytery who are offering their time and talents.

# Missional Practices Workshops

Opportunities for congregational leaders to learn God-centered habits, that help a church listen for and respond to God's call into missional action.

**Go** therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit...  
 Matthew 28:19 (NRSV)

## Workshops

A team from our Presbytery has been trained by the staff of **Church Innovations** a consulting group specializing in helping congregations to thrive. These local facilitators are prepared to lead workshops that take place for a half day or over a series of evenings at local churches. Each gathering focuses on one of six missional practices. These learning events give a local church concrete and faithful practices to DO, they learn simple actions that, when done repeatedly, change the culture of their congregation. A small group from any congregation can learn and try out these practices.

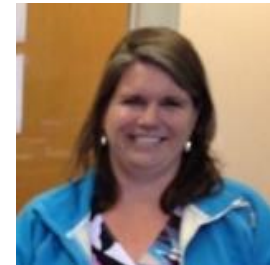

Missional Practices build God-centered habits that help any church spend more time and energy listening for God’s call into God’s mission already taking place nearby.

Contact the Presbytery Office Resourcing Center and ask about these 6 Missional Practices:
